1. Please be aware of the distinction between "project expenses applicable to JEC Fund Grant" and "project expenses not applicable to JEC Fund Grant" shown above when filling in each column.

Project expenses to be covered by the Grant:

- Expenses directly required for the project
- Expenses incurred during the implementation of the eligible project
- Payments made for/expenses provided to persons other than the project implementing organization

Project expenses not to be covered by the Grant:

- Routine operating expenses of the project implementing organization
- Personnel expenses of the secretariat
- Performance fee or reward to be paid to the project implementing organization
- Food and drink, sightseeing, and attraction expenses, special transportation charges (first class or business class airfare and Shinkansen bullet train first class (green) fare)
- Expenses incurred by a person accompanying a participant, etc.
   However, expenses incurred by an attendant to a disabled participant may be covered by the Grant.
- Payments to an affiliated body of the project implementing organization (i.e., a co-hosting organization, a member organization of the executive committee, etc.)
- 2. Contingency reserve may be included in the "expenditure" column only if it is intended to cover unexpected expenses that may arise during the implementation of the project for this year.

In the event that there is a lot of contingency reserve or money carried over and described in the expenditures column, the Grant may be reduced.

If there are other budget items than those shown in the sample forms, please indicate such items.

The income total should match the

expenditures total.

- (1) Instructions for filling in the income and expenditure columns in the Fund Allocation Table
  - ① The budget should be indicated in **Japanese yen**. You are required to prepare a budget table in the currency of your country and then convert all the amounts into Japanese yen. (Please attach data of the exchange rate used for the conversion.)
  - ② The names and categories of expense items in the sample form above are shown for reference purposes only. You may use your own expense item names and categories to fill in the form based on your project budget.
  - ③ Please specify which income sources are applied to which spending budgets. This information is required for each expenditure item for "expenses not covered by JEC Fund Grant" and for the subtotal of the spending budget for "expenses covered by JEC Fund Grant".
  - Please make sure that the total income amount is equal to the total expenditure amount. You are therefore required to bring the difference in amount between total income and total expenditure to zero by adjusting the amount of ''own funds'' or that of ''project expenses not applicable to JEC Fund Grant.''
  - **5** Do not enter any income, including balance brought forward.

#### (2) Income

(1) JEC Fund Grant

The subtotal amount of the "JEC Fund Grant" should account for less than 50% of the subtotal of the "project expenses applicable to JEC Fund Grant." Please see page 6 to refer to the countries that can apply for the Grant amount exceeding 50% of the subtotal.

2 Own funds

If you have your own funds that can be allocated to the project, please indicate the amount of such funds, provided that such funds should be distinguished from the following incomes:

- i. Participation fees
- ii. Sponsorship fees
- iii. Company or personal donation
- iv. Other grants
- ③ Participation fees

If income is generated from admission fees or participation/registration fees, please indicate the amount.

4 Sponsorship fees

If income is generated or expected to be generated from sponsorship fees or personal donation, please indicate the amount.

#### (3) Expenditure

① Please be aware of the distinction between "project expenses applicable to JEC Fund Grant" and "project expenses not applicable to JEC Fund Grant" shown above when filling in each column.

Project expenses to be covered by the Grant:

- Expenses directly required for the project
- Expenses incurred during the implementation of the eligible project
- Payments made for/expenses provided to persons other than the project implementing organization

Project expenses not to be covered by the Grant:

- Routine operating expenses of the project implementing organization
- Personnel expenses of the secretariat
- Performance fee or reward to be paid to the project implementing organization
- Food and drink, sightseeing, and attraction expenses, special transportation charges (first class or business class airfare and Shinkansen bullet train first class (green) fare)
- Expenses incurred by a person accompanying a participant, etc.
  - However, expenses incurred by an attendant to a disabled participant may be covered by the Grant.
- Payments to an affiliated body of the project implementing organization (i.e., a co-hosting organization, a member organization of the executive committee, etc.)
- 2 Please attach the Expenditure Breakdown form to give detailed information on the "project expenses applicable to JEC Fund Grant."
- ③ Expenditure Breakdown
  - Please write down any relevant items, such as expenses for printing/bookbinding or renting a hall.
- ① Contingency reserve may be included in the "expenditure" column only if it is intended to cover unexpected expenses that may arise during the implementation of the project for this year.

  (If you include in the "expenditure" the reserve intended to cover expense for a future project, the

#### amount of the JEC Fund Grant to be awarded will be reduced.)

- (5) If the project involves both personnel invitation and dispatch, specify each amount separately in the "Breakdown" column of the "Expenditure Breakdown" form as "budget for personnel invitation" and "budget for personnel dispatch."
- ⑥ If the project involves both domestic and foreign operations, specify each amount separately in the "Breakdown" and "Amount" columns of the "Expenditure Breakdown" form.
- (7) If there are other budget items than those shown in the sample forms, please indicate such items.

#### Points to Be Checked

① Please make sure that all the application forms are completed in English or Japanese.

#### ② Project Outline and Plan

Make sure that all the necessary information is provided.

If numerical information, such as the number of people and date, is not fixed at the time of application, indicate estimated numbers.

## 3 Income and Expenditure Budget for the Grant Eligible Project

Errors are often found in calculations of the amounts for "Subtotal;" "Expenses covered by JEC Fund Grant;" and for the "JEC Fund Grant." Please follow the process outlined below to calculate correct amounts.

- (A) The amount of "Subtotal" of "Expenses covered by JEC Fund Grant"  $\times$  percentage of coverage (75%, 90% or 100%)
- (B) Upper limit of amount by project applied
- (C) Amount of either (A) or (B), whichever is smaller

Amount of "JEC Fund Grant" to be specified in the table by the applying organization = Amount at least 500,000 yen and equal to or less than (C)

#### 4 Currency

The amount of the budget in the Fund Allocation Table should be indicated in Japanese yen. You are required to prepare a budget table in the currency of your country and then convert all the amounts into Japanese yen, which should be submitted to the Association.

#### Attachments
